

## Author(s) Information Form

Date: \_\_\_\_\_

We, the undersigned authors of the manuscript

title \_\_\_\_\_,

are submitting this article to Physiotrends for publication.

We declare that we have disclosed all potential information related to this manuscript as outlined below.

- The manuscript has not been previously published and is not under consideration for publication elsewhere. We affirm that this is an original work and that all authors have agreed to its submission to Physiotrends.
- By signing this form, we grant Physiotrends the rights to review, edit, and publish the manuscript if accepted. We acknowledge that the article will be subject to the peer-review process and may be revised based on reviewer feedback.
